And Amazon doesn't correct this. Others barely speak English. Look at the real reviews and you will see this book is filled with crucial information with an explosive ending. This book has been in production for 12 months. We have sold over 200 copies per month. It's changing women (and Men's) lives. The price could go as high as \$19.95. If you're on the fence. You will pay more next month. This is a paperback, not the medical product. A new study has found that the impotence drug Viagra could ramp up the sex lives of women who take it, just as it has done for men. The 12-week study focused on 202 post-menopausal or post-hysterectomy women who complained of female sexual arousal disorder. The women in the group who took Sildenafil Citrate, the little pink pill commonly known as Pink Viagra took notes after each sexual experience, and reported better overall sexual satisfaction compared with those who took a placebo. Their enhanced sex lives included better arousal, lubrication and orgasm. Brett Salisbury is the author of 27 books.
