ROMANCE-A MAN S WAY TO HIS SOUL

Createspace, United States, 2010. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Romance- A Man s Way to His Soul confronts decades-old stereotypes of what it means to be a man, and opens the door for men to discover who they truly are-feeling human beings who can be confident, sincere, vulnerable, powerful, loving, and truly in touch with their masculine energy. Through discovering the romantic life, he shows how men can learn to open their hearts, consider new possibilities, and understand what it means to embrace their masculine energy. Learning to live in a whole way includes the joy of developing an open receptive heart and mind; an...
