

Stewardship, Economics and Entropy: Christian Stewardship from an Economist's Point of View

By John W Bates

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In Genesis 1:31a we find that God saw everything that he had made, and indeed, it was very good. In Psalms 24:1 we find The earth is the LORD's and all that is in it, the world, and those who live in it. Yet many Christians, encouraged by many theologians, seem to believe that the world is a place of evil and that only the love of God through Christ Jesus, earned by renouncing and turning away from the evil world, will allow salvation and the enjoyment of an afterlife of heavenly bliss instead of a fiery Hell. To many, evidence of this evil world is wealth, especially wealth earned through capitalism instead of seeking communal equality where all labor and share equally with no personal comforts unless they are enjoyed by everyone. Since such a belief system is not natural to most people, many are left with an unsettled view whereby they work to provide for themselves and their loved ones and at the same time have feelings of guilt for their unchristian attitudes. In this...
