IS GOD GOOD, OR THE MODERN JOB (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Is God Good, or the Modern Job The why-, whence-, how-, and whither-asking tendency, and others like it, is not less imperative in man than is the nest-building instinct in the bird which never has seen, and which - thanks or the reverse to some pleasure-seeking hunter - may never see, egg. Instinct sees farther than the bird, and it may see farther than man. Be that as it may, if an urge which is of our very essence impels some of us to what others may deem an intellectual golf field, thither shall we go. If what follows has no other, let that be its apology. At the same time, however ill-phrased in form or error-marred as to fact, its every sentence comes as response to an imperative which is cosmic in character. Save and except such as front the general eye, the writer has not been favored with vision. So far as a somewhat limited leisure would permit, he has merely pulled on strings which every hand holds. He has, however, been thinking, and his thought shall now have utterance - let hear who will. Though views entertained with varying degrees of confidence, and possibly not altogether consistent, are advanced in positive form, no oracle assumes to speak here. Not having himself attained knowledge, he would not presume to instruct others - although such procedure would not be without precedent.
