Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 280 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Each book in the Coloring Books for Grownups series contains 50 outline drawings ready for coloring, and is designed for older children and adults of all ages who are looking to escape the stresses of modern living and simply relax. This, the fifth book in the series covers a wide range of different floral designs and, whether you favor those colorful spring flowers or the wonderful shades of green so often found in the gorgeous leaves of many perennial flowers, this book will allow you explore the colorful world of flowers. Coloring for grown-ups is very popular today and there are many explanations for this interest. Some of the reasons for its popularity include. Coloring Reduces Stress And Anxiety. Psychiatrists have known for a long time that coloring relaxes the fear center of the brain and permits your mind to get some rest. In fact, Carl Jung, the founder of analytical psychology, gave his patients mandalas to color over 100 years ago. In today's hectic world the stress reducing properties of coloring are possibly more valuable than ever. Coloring Trains Your Mind To Focus. Remaining inside the lines as you color takes focus and, while you concentrate on this stress-free and relaxing activity, you can forget about your worries. Coloring is a mind exercise that lets you set aside everything for the time you spend doing it, and this is very important in our demanding world. Coloring Helps In The Development Of Fine Motor Skills And Vision. Coloring forces the two sides of the brain to communicate and involves the use of logic (used to color forms) and creativity (as we mix and match colors). In turn, this brings those areas of...
