## UNLOCKING THE IVORY TOWER: HOW MANAGEMENT RESEARCH CAN TRANSFORM YOUR BUSINESS

Kauffman Fellows Press. Paperback. Book Condition: New. Paperback. 498 pages. Dimensions: 9.0in. x 6.0in. x 1.2in. Management is a discipline that can be learned from study. A large and diverse set of academic management research, often accessible only to academics, has practical, actionable implications to help in managing an organization today. *Unlocking the Ivory Tower* addresses the major components of academic business literature: strategy, leadership, entrepreneurship, organizational theory, international business, innovation, and finance. The range of knowledge and skills required by corporate managers requires the breadth of readily applicable concepts present in this book. Eric and Joe have helped create, develop, and run organizations. They both have executive experience in finance, mergers and acquisitions, and entrepreneurship in international contexts. Each also has invested time publishing in academic journals and teaching business school students in different countries. These authors live in the middle ground as practical academics. *Unlocking the Ivory Tower* is light on anecdotes and heavy on actionable research results, making it an essential reference for both managers and students. This book can serve as an education for those who did not pursue a management degree, a...
