Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. In the early years of the Second World War an army officer is sent to the Faroe Islands to investigate rumours of a collaboration with the Nazi regime in Norway. What he finds changes lives, not least his own. No one who listens to this audiobook will forget the frozen corpse tied to a chair in an icehouse guarded by two drunken seamen, or the raging storm which batters their, ship as they carry the body to Shetland. That s just the beginning. As the tale takes grip, the reader becomes haunted, just as the characters are haunted by a sense of guilt and betrayal. One of the finest of Linklater s later, deeper, darker novels, The Dark of Summer combines national and family histories as it sets out to understand the past, redeem the corrosion of memory and find meaning in a world of divided loyalties. Eric Linklater (1899-1974) wrote scores of novels for adults and children. He was also a journalist in India, commander of a wartime fortress in the Orkney Islands, and rector of Aberdeen University.
