Not illustrated. 1912 Excerpt: .method only is used in the two lowest grades, while in still others one finds the kindergarten or Giardino d Infanzia only. The Association of the Beni Stabili, which has erected in the newer parts of the city where land is cheaper model tenements under the co-operative plan, has in the center of each block of buildings a Casadei Bambini or House of Childhood, free to those children of their tenants who are too young to enter the first class of the municipal schools where the Montessori materials and method are used exclusively. Here in Rome, therefore, I can compare the two systems in schools where the type of child is the same, but at home I must see the Montessori method tried with children of a different race and environment. Italian children are at the same time more precocious and less nervous than our own...
