Brand New Book ***** Print on Demand *****.Learning a new skill is complex. Presentation should be simple. Dictation is the simplest and most efficient tool available for teaching all aspects of language to children. This booklet, Homeschooling, simplified: Dictation is the first in a series of little books designed to simplify your homeschooling journey. Through dictation, children learn penmanship, reading, spelling, grammar, critical thinking and so much more in one short (5-15 minutes) daily lesson. Dictation even sets the tone for the day in a delightful moment shared with mom or dad. It's a beautiful thing. You have encouraged me to educate the whole child and to just love on each of them. To cherish my time with them. To have joy in each moment. Thank you, Bonnie, for revolutionizing the way that I home educate. I find the dictation method amazing. this method practices all the most important principles of learning and assessment research to date. It's brilliant!.
