Reviews

Good electronic book and useful one. It usually does not expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Annette Boyle)

CHILDREN, SOCIAL SCIENCE, AND THE LAW

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2005. Paperback. Book Condition: New. New.. 224 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.This important book broadens our conceptualization of the topic of children and law, addressing a wide-ranging set of issues in need of attention. The authors confront many difficult questions such as: Are the rights that our nation's laws ascribe to children commensurate with their capabilities and needs? How should laws governing the punishment of crime acknowledge developmental differences between adult and juvenile offenders? Throughout the book, the authors consider (a) current laws and policies relating to children; (b) how social science research can test assumptions behind child-relevant laws and policies; (c) ways that courts can become more receptive to social science recommendations; and (d) challenges faced in the 21st century as our society continues its struggle to accommodate children's concerns within our legal system. With its unique integration of psychological research, social policy, and legal analysis, the volume is an important resource for any professional concerned with children and the law.
