New York Times bestselling author Karen Robards is back with an exhilarating romantic thriller that will leave readers breathless. Feisty criminal attorney Jessica Ford has done her best to comply with the orders of the Secret Service's unofficial witness protection program ever since she became the lone witness to the First Lady's murder. Did Jess's ambitious predecessor on the case really just abandon her successful career? Or did both women mysteriously disappear? After Mark rescues Jess from an attacker outside her apartment, she begins to consider the possibility that she is a target. Maybe it's not so bad to have her irresistibly charming and hard-bodied former lover around for protection. Maybe. The question...
