Corn

By Gail Gibbons

Holiday House. Paperback / softback. Book Condition: new. BRAND NEW, Corn, Gail Gibbons, Grades K-3 Starting historically with South American civilizations and highlighting the Pilgrims first Thanksgiving, this illustrated introduction covers the various types and varieties of corn and their specific uses. Explanations and diagrams of pollination, planting, and harvesting show both backyard and industrial cultivation. A wide-ranging list of corn products and miscellaneous facts are appended. Written for a similar audience as Alikis Corn Is Maize (1975), this discussion includes newer products such as ethanol and biodegradable plastics that are impacting peoples lives. With her characteristic ink and watercolor illustrations and well-organized, accessible narrative, Gibbons has created another competent and useful introduction to a familiar product for primary classrooms. (Reprinted with permission of Booklist, copyright 2008, American Library Association.).

Reviews

This ebook can be well worth a go through, and far better than other. Sure, it can be enjoy, continue to an interesting and amazing literature. I am just delighted to tell you that this is the greatest book i have got study within my personal daily life and could be he very best publication for actually.

-- **Miss Susana Windler DDS**

This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
