Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Becoming a parent is one of life s most rewarding, yet daunting, experiences. Even before your baby is born, every parent wants to ensure that their child will enjoy the best possible welcome to this world, and will go on to enjoy a long, happy and healthy life. However, even for those who have already had a child, knowing what is best for your baby can be mostly guesswork. There is a plethora of information on the subject, from many sources. Unfortunately, although much of the literature on pregnancy/child-raising does contain useful advice, the majority of these sources also contain information that is either incorrect, anecdotal, or subjective. So, how can we tell fact from fiction? In this book, we will answer all your questions, and more. Through extensive research, we have compiled only the facts, from reputable sources and studies. Then, utilizing our personal parenting experience, we compiled this extensive data in a way that is clear, relevant and concise. Our helpful navigation index makes this book a useful tool for future reference, as well as an informative read from start to finish. In this first book, we cover all the aspects that one must prepare for during pregnancy. From staying healthy, to preparing your home for the newest member of your family; everything you need to know is within these pages. Allowing you to enjoy your pregnancy, worry-free, knowing that you are prepared for one of life s greatest adventures - becoming a parent!.
