Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from *The That-Clause: In the Authorized Version of the Bible* In order to substantiate certain generalizations incident to the preparation of a forthcoming volume on Old English syntax, I have found it necessary to take somewhat detailed notes upon texts later than those immediately under survey. Encouraged by the suggestion of my friend and master, Professor Albert S. Cook, of Yale University, I am publishing a few of these for whatever value they may have for others working in this field. A few months ago an earlier study, mentioned on the following page, appeared in Herrig s Archiv. The present brochure, containing a larger group of phenomena, arranged in topical order, is likewise offered as a mere bit of rubble in the foundation-wall of English syntax, which a stronger and more skilful hand than mine may some day build. It is a pleasant duty to thank my colleagues, Professor Thomas B. Macartney and Professor Charles B. Newcomer, for valued help in reading the proof-sheets; and to acknowledge gratefully the assistance of my wife throughout the preparation of this paper. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
