Woods, President Maryland State College: In Regard to the Development of Maryland s Agricultural and Industrial Resources by Means of Appropriations, January, 1920 What the State College Is Asking For. The General Assembly of Maryland at its present session is asked to provide for work under the direction of the Trustees of the Maryland State College of Agriculture and the State Hoard of Agriculture the sum of \$1,687,286 for maintenance, and the further sum of \$1,519,900 for land, buildings and equipment, etc., a total of \$3,207,186 for the years of 1921 and 1922. This total represents an increase of \$2,649,823 over the amount of \$557,358 appropriated for the years 1919 and 1920. The tax payers of the State have a legitimate right to inquire why such an amount is requested at the present time. Following are reasons why the appropriation is deemed necessary: Will Develop the State s Resources. The fundamental reason for the appropriation is that it will be expended primarily for the development of the agricultural and industrial resources of the State. The fact must he borne in mind that Maryland is an agricultural State. Nearly one-half of our population is engaged in agricultural pursuits. Many of the other half are dependent upon agricultural development for the prosperity of their business. Most of the towns have been built and are supported by agriculture. A large volume of the business of Baltimore City is directly dependent upon the farm. A large proportion of the raw material used in her factories comes from the farm. It is. therefore, evident that the well-being and development of agriculture is of vital importance...
