BRAND NEW, The Bible and Your Work Study Series: Luke and Work, Theology of Work Project, Luke's Gospel is the story of how Christ the King established his Kingdom during his time on earth. But what does that mean for his followers in today's workplace? This eight-week study explores a variety of work-related topics of God's Kingdom from the Gospel of Luke, ranging from wealth, power, and conflict, to leadership, ethics, and provision. Each chapter includes three 30-minute practical lessons, complete with Scripture references and thought-provoking questions, for individuals or groups at work during their lunch hour. Whether following Christ on the dusty roads around Jerusalem, or hearing his sermons and challenges to local religious authorities, this is an opportunity to bring the reality of God's Kingdom into the contemporary workplace. The Theology of Work Project is an independent, international organization dedicated to researching, writing, and distributing materials with a biblical perspective on work. Its mission is to help people explore what the Christian faith can contribute to ordinary work, and it is developing resources for the most significant topics in today's workplace, such as calling, ethics, truth and deception, motivation, compensation, and more. Books created by the Theology of Work Project include the "Bible and Your Work Study Series," and the "Theology of Work Bible Commentaries."
