Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Primer of Social Science Many members of the Catholic Social Guild have expressed the desire for a simple yet comprehensive manual of social science. The little volume here offered to the public is an attempt to meet this requirement. It is intended for beginners, and aims at presenting social science with some completeness of outline and under the light of Catholic principles. Limits of space have made it impossible to do more than call attention to the subjects of Agriculture, the Middle Class, and Emigration. The Author is indebted for useful suggestions to several members of the Executive of the Catholic Social Guild, notably to Mr. Leslie A. Toke and Mr. G. C. King. The principal changes in this edition are the substitution of recent statistics, additional references and a somewhat more extended treatment of unearned increment (pp. 151-153), wages versus association (pp. 162-172), the equitable minimum (p.179), women s wages(179-180), service (pp. 182-3), co-partnership (pp. 196-198), agriculture (pp. 211-219), the middle class (pp. 219-222), unemployment (pp. 259-275). My sincere thanks are due to Mr. Lewis Watt, S.J., for his valuable suggestions and Mr. L. A. Toke for his generous assistance in correcting the proofs. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
