Brand New Book ***** Print on Demand *****.Excerpt from Vigilante Days and Ways, Vol. 1 of 2: The Pioneers of the Rockies, the Makers and Making of Montana, Idaho, Oregon, Washington, and Wyoming It is stated, on good authority, that soon after the first appearance of Schiller s drama of The Robbers a number of young men, charmed with the character of Charles De Moor, formed a band and went to the forests of Bohemia to engage in brisrand life. I have no fear that such will be the influence of this volume. It deals in facts. Robber life as delineated by the vivid fancy of Schiller, and robber life as it existed in our mining regions, were as widely separated as fiction and truth. No one can read this record of events, and escape the conviction that an honest, laborious, and well-meaning life, whether successful or not, is preferable to all the temporary enjoyments of a life of recklessness and crime. The truth of the adage that Crime carries with it its own punishment has never received a more powerful vindication than at the tribunals erected by the people of the North-West mines for their own protection.
