Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is the book you and I have been waiting for since authoring The Anunnaki of Nibiru released August 4th, 2013. The issues and questions that this research raised with the readers were carefully studied to locate the link between humanity's South African genesis account and today. How does one proceed after discovering that modern man was fashioned by the Anunnaki to supplant the labor force they brought to Earth from Nibiru? This knowledge changes all that we have been coerced into believing as the truth. A theme began to emerge given the lessons accessed from sacred writings. The profound nature of the material provided in this book took time to study, understand, process the lessons and assimilate them into a coherent message. Questions like If the Anunnaki created mankind, then who created them? The answer takes one back to the SOURCE of our reality. Are we evolving physically and consciously towards an archetype used in our biological design? Where are we headed as a species and to what extent are our genetic creators shaping the outcome? Who are the Dark Lords behind the NWO and will Light prevail? In my quest to find the ascension path out of our prison planet conditions, no map was found. The truth, as it always has been for participants on the stage of life, is a pathless land. Only through deep seeking at a spiritual level, could the wisdom be accessed. Profound and timely guidance from the pillars of Atlantis hold the keys to our ascension. The time to lift the veil of oppression, barbarian to Mystery School Graduate is here. Portal access to return to the...
