Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from First Semi-Centennial Anniversary of the Philomathean Society In presenting to the Alumni of the Philomathean Society this account of its Semi-Centennial Anniversary, the Committee of Publication would say that they have endeavored to prepare a concise narrative of what was done, and to give full reports of what was said on that memorable occasion, believing it is the latter feature that will impart to the work its principal interest. In whatever has been written by them, they have aimed at brevity, especially in the Historical Sketch, which, by the instruction of the Society, they have prefixed to the work. A complete history would require more space than they felt at liberty to occupy; therefore, while they have endeavored to delineate, with some minuteness, the formation and early history of the Society, they have given only a brief outline of the most important events of subsequent years. It has been their constant effort to render the work perfect in its preparation, and faultless in its execution; if they have failed in any respect, they can only plead the peculiar difficulties with which such a labor is necessarily attended.
