Flying Chipmunk Publishing, United States, 2012. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.The most essential thing in the world to any individual is to understand him/herself. The next is to understand the other people s/he meets. For life is largely a problem of running your own car as it was built to be run, plus getting along with the other drivers on the highway. * * * * From this book you are going to learn which type of car you are and the main reasons why you have not been getting the maximum of service out of yourself. * * * * Also you are going to learn the makes of other human cars, and how to get the maximum of co-operation out of them. This co-operation is vital to happiness and success. We come in contact with our fellowman in all the activities of our lives and what we get out of life depends, to an astounding degree, on our relations with our fellows. * * * * As the Minneapolis News wrote in November 7, 1920, Elsie Lincoln Benedict is a woman who has studied deeply under genuine scientists and is demonstrating to thousands at the Auditorium each evening that she knows the connection between an individual s external characteristics and his inner traits. * * * * Check out the Flying Chipmunk Publishing catalog at or Friend us on Facebook for our latest Children s, Juvenile, and Adult releases.
