

What Chinese Want: Culture, Communism, and China's Modern Consumer

By Tom Doctoroff

Palgrave Macmillan. Paperback. Book Condition: new. BRAND NEW, What Chinese Want: Culture, Communism, and China's Modern Consumer, Tom Doctoroff, Today, most Americans take for granted that China will be the next global superpower. But despite the nation's growing influence, the average Chinese person is still a mystery to most of us - or, at best, a baffling set of seeming contradictions. Here, Tom Doctoroff, the guiding force of advertising giant J. Walter Thompson's (JWT) China operations, marshals his 20 years of experience navigating this fascinating intersection of commerce and culture to explain the mysteries of China. He explores the many cultural, political, and economic forces shaping the twenty-first-century Chinese and their implications for businesspeople, marketers, and entrepreneurs - or anyone else who wants to know what makes the Chinese tick. From the new generation's embrace of Christmas to the middle-class fixation with luxury brands; from the exploding senior demographic to what the Internet means for the government's hold on power, Doctoroff pulls back the curtain to reveal a complex and nuanced picture of a fascinating people whose lives are becoming ever more entwined with our own.
