Journalstone, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. Brothers Macbeth and Drederick Tooms should have it made as fair-haired scions of an impossibly rich and powerful family of industrialists. Alas, life is complicated in mid-1950s USA when you re child heirs to the throne of Sword Enterprises, a corporation that has enshrined Machiavelli s The Prince as its operating manual and whose patriarch believes, Now I am become Death, the destroyer of worlds, would be a swell company logo. Consider also those long, cruel winters at the Mountain Leopard boarding school for assassins in the Himalayas, or that Dad may be a supervillain, while an uncle occasionally slaughters his nephews and nieces for sport; and the space flight research division of Sword Enterprises accidentally sent a probe through a wormhole into outer darkness and contacted an alien god. Now a bloodthirsty cult and an equally vicious rival firm suspect the Tooms boys know something and will spare no expense, nor innocent life, to get their claws on them. Between the machinations of the disciples of black gods and good old corporate skullduggery, it s winding up to be of a hell of a summer vacation for the lads.
